the Debtors selected Davis Polk & Wardwell as counsel (“**Davis Polk**”) and AlixPartners LLP as financial advisor (“**Alix**”).

10. The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

11. On September 18, 2019, the Court entered an order [Docket No. 59] authorizing the joint administration and procedural consolidation of the Debtors’ chapter 11 cases pursuant to Bankruptcy Rule 1015(b). No examiner has been appointed in the chapter 11 cases pursuant to section 1104 of the Bankruptcy Code.

12. On November 21, 2019, the Court entered its Interim Compensation Order [Docket No. 529] establishing the procedures for interim compensation and reimbursement of expenses incurred by professionals retained by the Debtors pursuant to sections 327 or 1103 of the Bankruptcy Code (“**Retained Professionals**”).

13. On December 2, 2019, the Court entered the *Order Authorizing the Debtors to Assume the Reimbursement Agreement and Pay the Fees and Expenses of the Ad Hoc Committee’s Professionals* [Docket No. 553] (the “**Retention Order**”).

14. During the Compensation Period, FTI has represented the Committee, in connection with these chapter 11 cases, including with respect to, among other things, the Debtors’ domestic and international business plans, employee compensation plans, and historical cash transfers. The fees earned and the expenses incurred by FTI in connection with these activities are the subject of this Application and are described in more detail below and the exhibits hereto.

conditions of FTI's retention, please see the Retention Order. The Committee has been given the opportunity to review and approve this Application.

Summary of FTI's Services Rendered

16. During the Compensation Period, FTI provided extensive financial services to the Committee. The primary services rendered by FTI include, but are not limited to, the categories set forth below (each a "**Task Code**") which were billed pursuant to the requirements of Section C(8)(c) of the U.S. Trustee Guidelines:

- a. **Task Code 1: Current Operating Results & Events (40.9 Hours):** During the Compensation Period, time detail under this task code related to FTI's work evaluating the Debtors' monthly operating reports, results, and current events. - b. **Task Code 7: Analysis of Domestic Business Plan (228.9 Hours):** During the Compensation Period, time detail under this task code relates to FTI's work evaluating the Debtors' revised go-forward business plan and the cost projections within the business plan forecast. FTI also reviewed the Debtors' financial forecasts and cost projections, historical cost backup files, interviews with the Debtors' employees, and analyses and presentations prepared by the Debtors' advisors, to evaluate the go-forward business plan costs. FTI prepared a draft report analyzing the cost projections in the Debtors' go-forward business plan to share with the Committee. FTI also reviewed the Debtors' proposed PHI funding to analyze the projected costs and benefits. FTI also participated in

various calls with the Debtors and their advisors to discuss the business plan forecast and the corresponding cost projections.

- c. **Task Code 9: Analysis of Employee Comp Programs (99.9 Hours):** During the Compensation Period, FTI conducted extensive diligence into the Debtors' proposed 2022 insider and non-insider incentive and retention plans filed with the Court (the 2022 KEIP and KERP). FTI reviewed historical compensation detail and prepared comparisons of the 2022 KEIP and KERP to the prior year's approved KEIP and KERP. FTI also evaluated the Debtors' proposed scorecard for the 2022 KEIP and prepared comparisons of the 2022 scorecard to the prior year's scorecard. FTI also corresponded with the UCC to renegotiate terms of the 2022 KEIP and KERP, including the proposed 2022 scorecard, with the Debtors. In conducting diligence, FTI prepared various analyses and presentations for the Committee to summarize key issues, including, performance metrics, participants, and plan size.

- d. **Task Code 16: Analysis, Negotiate and Form of POR & DS (255.5 Hours):** Entries under this task code relate to FTI's work during the Compensation Period focused on monitoring the appellate process, preparing various analyses on post-appeal options, and monitoring the mediation and subsequent additional settlement with the Sackler family. In monitoring the appeal, FTI reviewed the various briefs filed in the appeal. FTI prepared analyses of plan alternatives and the impact on projected cash flows to creditors, in response to the district court ruling. FTI also reviewed the Sackler settlement term sheet and prepared a presentation for the Committee analyzing the impact of the additional Sackler

settlement on distributable value and asset coverage ratios. FTI also participated on bi-weekly calls with the Debtors' advisors to discuss the status of business operations and preparations for emergence.

- e. **Task Code 21: General Meetings with Counsel and/or Ad Hoc Committee (22.9 Hours):** During the Compensation Period, FTI participated on numerous calls and meetings with the Committee and its counsel. During these calls and meetings, FTI discussed with the Committee and its counsel several key issues at hand, next steps, and the presentations of various analyses prepared by FTI's team.

Basis for Relief Requested

17. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code that govern the Court's award of such compensation. See 11 U.S.C. § 331. Section 330 provides that the Court may award a professional employed under section 327 "reasonable compensation for actual, necessary services" and "reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330(a)(3) also outlines specific criteria that the Court shall consider in determining the amount of reasonable compensation, including:

- a. the time spent on such services;
- b. the rates charged for such services;
- c. whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;

- d. whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- e. with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- f. whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

18. All of the services for which FTI seeks compensation were necessary for, beneficial to, and in the best interests of the Committee. FTI's fees are reasonable given the size and complexity of the Debtors' cases.

19. All of the services for which interim compensation is sought herein were rendered for and on behalf of the Committee. FTI respectfully submits that the professional services rendered were necessary, appropriate, and have contributed to the effective administration of the Debtors' chapter 11 cases and maximization of value. It is respectfully submitted that the services rendered to the Committee were performed efficiently, effectively, and economically, and the results have benefitted the Committee.

20. The hourly rates that FTI has charged are consistent with the market rate for comparable services. The hourly rates and fees charged by FTI are the same as those generally charged to, and paid by, FTI's other clients. FTI regularly reviews its hourly rates on an annual basis and, accordingly, the rates included in this Application reflect an ordinary course hourly rate increase.

21. Whenever possible, FTI sought to minimize the costs of its services to the Committee by utilizing talented junior professionals to handle more routine aspects of case administration. A small group of the same FTI professionals was utilized for the vast majority of the work in these cases to minimize the costs of intra-FTI communication and education about the Debtors' circumstances.

22. FTI believes that the expenses incurred are reasonable and economical relative to the services required by the Committee and were incurred as a direct result of FTI's representation of the Committee. These expenses are the type customarily charged to non-bankruptcy clients of FTI. None of the expenses relate to non-reimbursable overhead. FTI has adhered to allowable rates for expenses as fixed by 2016-1 of the Local Rules for the United States Bankruptcy Court of the Southern District of New York.

23. In accordance with the factors enumerated in section 331 of the Bankruptcy Code, the amounts requested herein are fair and reasonable given (i) the complexity of the cases, (ii) the time expended, (iii) the nature and extent of services rendered, (iv) the value of such services, and (v) the costs of comparable services other than in a case under the Bankruptcy Code.

24. FTI submits that pursuant to the criteria normally examined in bankruptcy cases and based upon the factors considered in accordance with sections 330 and 331 of the Bankruptcy Code and Bankruptcy Rule 2016, the results achieved provide more than sufficient justification for approval of compensation sought by FTI.

WHEREFORE, FTI respectfully requests that the Court enter an order:

- a. Granting this Application;

- b. Awarding FTI, on an interim basis, compensation for professional services rendered during the Compensation Period in the amount of \$624,398.50 and reimbursement of actual, reasonable and necessary expenses incurred by FTI during the Compensation Period in the amount of \$52.03;
